Rules for one-to-one teaching at the
University of Music and Performing Arts Munich
(Arcisstraße and Luisenstraße)

- In general, the following applies:
  - The stay in the university building is to be limited to what is absolutely necessary.
  - It is only permitted to enter the university building immediately before a teaching unit.
  - After the teaching unit, the student must leave the university building immediately.
- Hands must be washed and disinfected before entering a teaching room.
- Only two persons are allowed in a teaching room. For the moment, the participation of a répétiteur is not permitted.
- The following minimum distances must be observed:
  - For bowed, plucked, percussion and keyboard instruments: 1,5 metres
  - For wind instruments and singing: 5 metres
- Wearing a mouth-nose cover for students and teachers is obligatory as far as the teaching situation allows (obligatory for keyboard and string instruments)
- It is recommended to keep the windows open during a teaching unit.
- For reasons of infection protection, it is urgently requested to refrain from using a mobile phone during a teaching unit.
- Before each and every teaching unit on a piano or grand piano, the keyboard must be cleaned by the house staff. Teaching units may not begin before cleaning.
- After the end of each and every teaching unit, the room must be ventilated for 15 minutes.
