General infection prevention measures
of the University of Music and Performing Arts

1) All members of the university may only enter the university if there are no symptoms of illness.

2) Persons who meet one of the following criteria are not allowed to enter the university buildings at any location:
   - Contact with confirmed COVID-19 case within the last 14 days (Cat. I and II contact persons):
     - Case groups Category I (higher risk of infection; not exhaustive list):
       - Persons with cumulative face-to-face contact of at least 15 minutes, e.g. during a conversation
       - Persons with direct contact with secretions or body fluids, especially respiratory secretions of a confirmed COVID-19 case
     - Case groups Category II (lower risk of infection; not exhaustive list)
       - Persons who were in the same room as a confirmed COVID 19 case, e.g. classroom, workplace, but did not have cumulative face-to-face contact with the COVID 19 case for at least 15 minutes
       - Family members who have not had face (or speech) contact for at least 15 minutes
     - Respiratory symptoms (shortness of breath) of any severity,
     - Flu-like symptoms

3) The stay in the university building / on the university grounds shall be limited to the absolutely necessary extent.

4) A minimum distance of 1.5 metres must be maintained between all persons in all university buildings.

5) It is strongly recommended to wear a mouth-nose cover throughout the entire university building, including inside the rooms.

6) Wash your hands regularly, in particular
   - after visiting the toilet
   - after blowing your nose, coughing or sneezing

7) Wash your hands thoroughly, i.e.
   - hands under running water,
   - rub hands from all sides with soap,
   - allow 20 to 30 seconds for this,
   - wash hands under running water,
   - wipe dry with a clean cloth

8) Keep your hands out of your face:
   Avoid touching mouth, eyes or nose with unwashed hands

9) Proper coughing and sneezing:
   It is best to cough and sneeze into a handkerchief or hold the crook of your arm in front of your mouth and nose. Keep your distance from other people and turn away.
